

Team African Leadership Foundation ING New York City Marathon 2009

Thank you for your interest in joining Team African Leadership Foundation to run the ING New York City Marathon 2009! In addition to having a truly unforgettable marathon experience, the funds you raise as a member of Team African Leadership Foundation will help transform Africa by developing and supporting the next generation of African leaders. More information is available at www.africanleadershipfoundation.org.

By registering to run for Team African Leadership Foundation, you will receive free entry into the ING New York City Marathon, a special ALF t-shirt, and a personalized marathon fundraising website hosted by the African Leadership Foundation, where you can create a profile, update donors on your training and fundraising progress, and even link to your myspace or facebook page to attract more donors!

When you join team ALF, you commit to donate or fundraise from third-party donors at least \$3,000 USD. Your credit card information is required as a guarantee against this pledge. If you have not submitted at least one-half of the minimum pledge (US \$1,500) by 5 PM EST on Wednesday, September 30, 2009, your credit card will be charged for the amount of \$1,500 less any funds received in your name from donors by that date. If by Monday, November 2, 2009 your initial credit card charge and any funds received in your name do not total the full minimum pledge of \$3,000, your credit card will be charged the remaining balance of that amount to fulfill the pledge.

Any additional funds raised between November 2, 2009 and November 30, 2009 will count toward your total donation, and ALF will refund the value of any donations (up to the total amount previously charged) to your credit card. All credits from this time period will be issued by African Leadership Foundation during the second week of December 2009.

The amount ultimately charged to your credit card will be considered a donation, and we will send you confirmation of this donation for tax purposes. Please note that you should not begin to fundraise for African Leadership Foundation from third party donors until your application status has been confirmed.

When your application has been received and approved we will send you a welcome package including your website details and information on donating to African Leadership Foundation. The Team ALF Runner who raises the most funds for Africa's future leaders will be invited as a Guest of Honor to a special Foundation dinner in New York City in 2010, where he or she will meet outstanding young leaders who are supported by African Leadership Foundation.

Thank you for supporting African Leadership Foundation. Together, we will help tomorrow's African leaders build a brighter future for the continent.
